BAKE  SHOP

 Easy

Hey everyone! It's Jera from [Quilting In The Rain](http://www.QuiltingInTheRain.com) bringing you this fun quilt top that you can finish in a weekend.

Grab a [Layer Cake](#) or a [Boho kit](#) and get this quilt top done within a few hours. Have fun!

Original Recipe can be found at www.modabakeshop.com

Recipes are sometimes altered to correct errors. Please ensure that you have downloaded the most recent Printer Friendly Version before starting your project. If you find a mistake in this pattern, please contact modabakeshop@unitednotions.com.

This is an original pattern not intended for sale.

Ingredients:

For one big quilt measuring 54.5"x63.5"

- One Layer Cake (you will need all 42 squares)
- coordinating thread
- 1/2 yard binding
- 3 1/4 yards backing

OR

For two smaller quilts measuring 36.5"x45.5" each

- One Layer Cake (each quilt uses 20 squares)
- coordinating thread
- 3/4 yard binding (will bind both)
- 3 yards backing (will back both)

Instructions:

Step 1 - Choose ten pre-cut 10 inch squares and lay them directly on top of one another making sure they are aligned. Using a ruler and rotary cutter, make a diagonal cut through all ten layers. Make sure the cut is similar to the one shown below (i.e. don't make the cut too slanted).

After you make the diagonal cut, you will have two stacks of fabric: Stack A and stack B.

This is an original pattern not intended for sale.

Step 2 - From stack A, take the bottom piece and from stack B take the top piece. Place them together as shown below. Piece these two pieces together (with right sides facing together, sew a 1/4" seam allowance). Repeat until stack A and B are all pieced together.

Tip: For faster piecing, you can chain piece:

Step 3 - After you've completed Step 2, press open all of the blocks using an iron. Next, stack all of your blocks on top of one another, same as you did in Step 1. Make sure all the blocks are facing the same direction and are aligned. Rotate the stack and then make a diagonal cut again, as shown below. Once again, you will have stacks A and B.

This is an original pattern not intended for sale.

Repeat Step 2 with stacks A and B:

After sewing together, press open with an iron. A finished block will look like this:

This is an original pattern not intended for sale.

Repeat steps one through three with ten more pre-cut ten inch squares so that you will yield a total of 20 finished blocks. If you want to make the bigger quilt, repeat the steps until you yield a total of 42 finished blocks.

Step 4 - To make the smaller quilt, lay all 20 finished blocks in a 4x5 formation as shown below. To make the bigger quilt, lay all 42 finished blocks in a 6x7 formation.

To piece the quilt top together, first sew all four blocks together in each row, and then sew each row together. (Using a 1/4" seam allowance, sew with the right sides facing each other, and then press open with an iron).

Lastly, baste and bind your quilt. That's all there is to it!

Yield:

Two smaller quilts measuring 36.5"x45.5" each, or one big quilt measuring 54.5"x63.5"

The fabric I used in the above images are from Moda's Marmalade collection. Below I used a combination of Moda's Sew Stitchy and Noteworthy collection. This pattern is so much fun I've used several different collections, so grab a [Layer Cake](#) and have fun!

Happy Quilting :)
