## MODERATE

I love this time of year and especially all the festive projects on the Modabakeshop. It's time to break out the seasonal fabrics and make your favourite quilts and gifts. Today it's my turn on the Countdown to Christmas sew-a-long and I will be showing you how to make this cute block - Gift Wrapped Star. The block is made with a combination of piecing and an easy paper pieced unit (the star points are an odd shape so it makes it easier and more accurate to piece). This block finishes at 6" x 6".

- 1 - F8 (9" x 22") each of red and white print
