

charm pack
recipe

moda BAKE SHOP

INGREDIENTS

- 1 Charm Pack
- 3/8 yards backing fabric
- 1/2 yards binding & pocket fabric
- cotton batting: 13.5" x 42" AND (2) 10" squares
- 3/8 yards insulated batting, such as Insul-Brite

INSTRUCTIONS

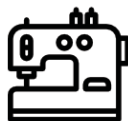

- 1 From binding fabric, cut (2) 11" x WOF strips.
From each, cut (1) 11" square for pocket and (2) 5" squares for coasters.

Layout charm squares into (2) 2 x 2 pockets, (1) 2 x 8 runner, and (4) 2 x 2 coasters.

2 MAKE TABLE RUNNER

Using the charm squares you've laid out, sew right sides together with a scant 1/4" seam to make 8 rows of 2 charm squares. Sew rows together. Press seams. Layer backing fabric right side down, one layer of Insul-Brite, one layer of cotton batting, and pieced runner right side up.

Baste, then quilt as desired. Trim batting and backing even with top.

3 MAKE TABLE RUNNER POCKETS

Using the charm squares you've laid out, sew right sides together with a scant 1/4" seam to make (2) pockets. Press seams.

On work surface, layer one 10" batting square and one pocket, right side up. Center pieced pocket with sides of batting and align top edges of batting and pocket.

Place one 11" pocket square right side down, aligning top edge again.

Pin, then sew with a scant 1/4" seam along top edge.

Press the pocket backing up and around the back of the pocket for a neatly finished edge.

Quilt each pocket as desired. Trim batting and backing even with pocket top. Measure width of runner and trim pockets to fit width, if necessary.

4 ASSEMBLE TABLE RUNNER

Layer runner right side up. Align a pocket at each end. Pin together. *You may decide to baste the pockets to the runner with a long machine stitch before adding the binding* Attach continuous bias binding to front. Sew slowly, especially when sewing through all the layers of the pocket and runner. Fold binding from front to back and attach by hand or machine.

5 MAKE COASTERS

Lay out one 5" square from binding/pocket fabric right side up.

Take four charm squares, fold and crease each one in half wrong sides together. Overlap the folded squares on top of the pocket fabric square. The folded edges are towards the center and raw edges aligned on the outside.

Pin, then stitch with a 1/4" seam allowance on each side. Trim corners on the diagonal to reduce bulk and turn right side out.

YIELD

This table runner finishes at 9" x 36" and coasters at 4.5" x 4.5".

EASY

POCKETED TABLE RUNNER - FINISHES AT 9" X 36"
