

## INGREDIENTS

- 2 Layer Cake® squares
- Pencil or other marking tool

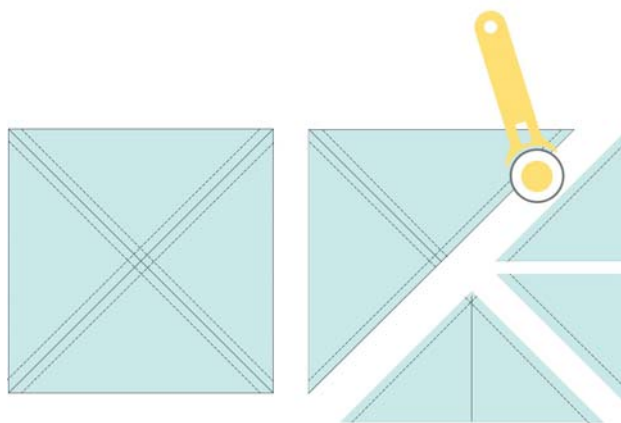

## INSTRUCTIONS

- 1 Draw a pencil line across both diagonals of one Layer Cake® square (shown as solid line).
- 2 Place 2 Layer Cake® squares right sides together.

- 3 Sew  $\frac{1}{4}$ " seam on each side of the diagonal marks (shown as dashed lines).
- 4 Cut Layer Cake® squares apart on EACH pencil line, creating four triangles.

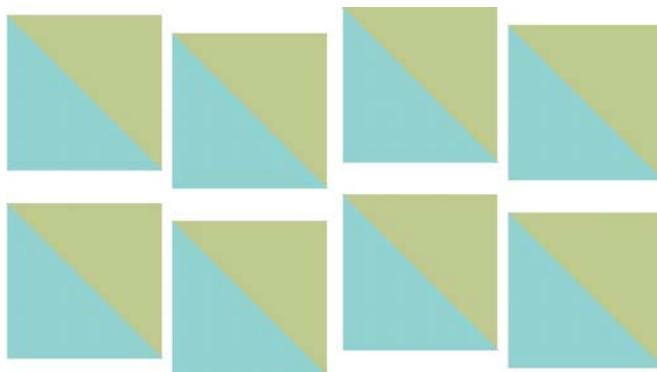

- 5 Cut EACH of the 4 triangles in half as shown, creating a total of 8 triangles.

- 6 Press towards the darker fabric and trim to  $4\frac{1}{2}$ " square.

## YIELD

Two Layer Cake® squares make (8)  $4\frac{1}{2}$ " half square triangles.

**EASY**
